Hand Signals & Riding Positions

Parade

Left fist with forefinger and pinky finger up, hand not moving, ride side-by-side.

Staggered

Left fist with forefinger and pinky finger up, hand twisting, left rider moves up and right rider drops back.

Left Turn

Left arm straight out to the side, open palm with fingers straight out.

Right Turn

Left arm bent 90 degrees up, open palm and fingers straight up.

Single File

Left arm straight up with tight fist. Riders move into single file. Left rider in front of right rider.

Slow Down

Left arm down, palm open, riders slow down, preparing to stop.

Road Hazard

Left arm down, finger pointing indicates a road hazard.

Citation

Ropes

Citation Ropes are to identify the Chapter Officers whether we are attending a Chapter function or on the road. Members are encouraged to ask questions of the officers, and follow guidance provided by the officers. It is important to follow directions of the Road Captains when riding.

Rope Colors

White — Chapter Director
White/Royal Blue — Assistant Director
Royal Blue — Primary Officer
Red — Lead Road Captain
Red/Yellow — Assistant Lead Road Captain
Yellow — Road Captain
Light Blue — Discretionary Officer
